CHURCH CLEAN INFORMATION

Before you start

Coordinate a time with your team: Use Church Suite to find their contact details. The church is usually empty on Monday nights. Check with *Judy* at +44 7449 775270 or administrator@bafreechurch.org.uk that there are no other bookings at the time you want to clean.

Obtain a key: If your team leader (or other team member) doesn't have a key, contact *Daniel* at +44 7938 728200 or church-clean@daniellaing.com.

Cleaning equipment

Cleaning cupboards: The upstairs cupboard is beside the big toilet in the foyer. The downstairs cupboard is at the bottom of the front/east stairs. Its key-box is next to the Sunday School cupboard in the corridor. The code for both boxes is *1517*.

Hoovers: A cordless Dyson hoover makes cleaning the sanctuary easier. Please return it to charge in the cupboard once you are done. The batteries for the downstairs hoovers are kept in the church flat. They are in the cupboard in the hall next to the kitchen. Please return them to charge once you are done.

Supplies: If any supplies are missing, running low, or you use the last of, contact *Kev or Wendy* at +44 7584 293680 or kevlegge1@yahoo.co.uk.

What to clean

Checklists: Inside each cupboard are checklists which will guide you on what needs cleaning. They also serve as a record of what was cleaned when. It may not be appropriate to clean every item on the list every week.

Downstairs: During term time Little Lambs will clean the downstairs, so it will likely only need checked and a spot clean on any problem points.

Bins: The duty deacon will often empty the bins on a Sunday night, just double check they are indeed empty.
